Dear Local Registrar:

On Monday, June 18, 2012, Vincent T. Arrisi was sworn in as State Registrar. Mr. Arrisi is a graduate of Rutgers University with a BS in Biology; Seton Hall University with an MBA in Finance; Kean University with an MA in Psychology and California Coast University with a Psy.D in Clinical Psychology. He comes to the position with 30 years of experience in the health information industry and a background in operations management and finance. Genevieve Raganelli has stepped down from the role but will continue to provide legal and regulatory guidance to OVSR.

Please continue to use your existing supply of burgundy safety paper bearing Yamileth Contreras' signature, consistent with your regular supply control procedures. When you place a new order, the safety paper will bear Vincent Arrisi's signature. Be sure to maintain at minimum a 3 month supply of the paper.

We anticipate that the transition to the new State Registrar will be seamless for you. If you have any questions or problems, please contact Vincent Arrisi at StateRegistrar@doh.state.nj.us.

Sincerely,

A handwritten signature in blue ink, appearing to read "Cathleen Bennett".
